Prepared by Georges Blanc

When all avenues of funding have been exhausted The Fort Frances Community Chest assists people in our community and district who are financially challenged as a result of a medically related issue, we assist with travel expenses, meals and accomodation. Because of changes to Provincial government policy we are restricted in assisting with travel grants, however in certain circumstances we will find a way to assist in up-fronting these grants especially when it involves long distance travel.

We wish to thank all of the people and organizations who generously support us. We also would like to thank the Town of Fort Frances who administer our funds and especially Treasurer Laurie Witherspoon. We also appreciate the dedication of Fort Frances Lions Club in assisting us in processing travel grants.

Thru the efforts of the Fort Frances Times we have a new logo and website. We can be reached at www.fortfrancescommunitychest.com or on Facebook.

The active members of the committee are the following: Joelle Blanc Paull, Linda Hamilton, Linda and Georges Blanc. If anyone is interested in joining our committee please feel free to contact any of the individuals listed above.

The 2015 financial statement will be published in the 1st quarter of 2016.
